HOUSEKEYS REVIEW PROCESS

The HouseKeys project specific page will display the published ranking results for the opportunity drawing. They will also be emailed to all the ranked applicants as soon as the final ranking has been confirmed.

1. Applicants will be initially ranked by one of five methods: Lottery Selection, First- form first-serve, First-file first-serve, First-Application ID or First-Pre-Application Submission.
2. Lottery Selection is the most common method utilized, with an initial randomly assigned number to each entrant, which will serve as a tiebreaker for those that have the same preference(s).
3. This will be followed by another ranking with city preferences applied which provides a Final Ranking Number – If preferences are applicable.
4. Applicants who did not enter by the entry deadline WILL NOT be ranked.
5. We will begin reviewing applicants' files in ranked order that submit a complete Minimum File (aka "Initial File") by the File Submission deadline.

IMPORTANT:

- We will contact applicants and their Loan Officer, in ranked order that submitted a complete "Minium File (AKA "Initial File") by the File Submission Deadline. A needs list will be issued with additional documents required for review. Please refer to #5 under the "Application Process Section" for more details and the list of documents needed.
 - Upon notification, the applicant will have **3 business days** to submit ALL documents for further consideration. If the applicant is unresponsive or does not submit ALL of the required documentation by the deadline, they will be released from the drawing. They may request to re-enter as a backup.
 - Those found to be ineligible or not qualified upon review of the submitted documentation, will have 3 business days to appeal once notified and will be released after **3 business days** if an appeal is not filed.
6. We will contact the next ranked applicant, as needed, and they will be given the same consideration regarding the time to submit a complete file.
 7. If enough eligible and qualified buyers are not found from the ranked list, we will move to the backup applicants, in order of drawing entry date and time.
 8. We will release all applicants once all the needed buyers have been selected.
